RTO Student Support Policy

Scope

This policy applies to all students of Atwe who require specific support services to complete their learning, training, or assessment activity.

Purpose

The main purpose of Student Support Services Policy and Procedure is to outline the support services avail for students, providing them access to the educational and support services needed to meet the requirements of their qualifications.

Atwe is committed to ensuring that all students receive adequate learning support to ensure their full potential is reached.

In all Policies and Procedures "Atwe" should be taken to mean "Workers Educational Association Hunter" and all its associated trading names unless otherwise specified.
